Section C

Proposal Evaluation Criteria

Selection Criteria

Selection of a vendor and determination of the award will be made to the qualified vendor whose proposal is determined to be of superior quality, responsive to the requirements of this RFP and competitively priced. Selection will result from the Court's overall judgment that a proposal meets or exceeds its requirements, as measured against the following criteria (not listed in order of importance):

- Confidence that the vendor has the ability to best deliver high quality, setting-appropriate children's waiting room services and any other services consistent with the stated specifications.
- Superior responsiveness to specifications, quality of work plan, and demonstrated understanding of the purposes of this project. Specifications for documentation, performance, service or any other deliverables are the minimum requirements for this RFP. Provider qualifications, office hours, and prompt and continuous availability of quality care during the Children's Waiting Room's proposed hours are critical.
- Financial feasibility and cost effectiveness of the proposal.
- Bilingual services are preferable, to include English and Spanish oral and written communication.
- The number of years the vendor has been providing this type of service.
- Vendor's capabilities in terms of qualifications and relevant past experience. Vendors shall indicate their past performance functioning as a vendor agency, including past performance in providing similar types of program start-up services, children's waiting room services, and family support services; and working with the target population and with the judiciary.
- Past service history of vendor regarding child safety, family and staff satisfaction. Indicate any significant problems that have occurred at a program owned, operated or serviced by your agency (e.g., complaints, lawsuits and liability proceedings, incidents when a child was seriously injured or killed, findings of sexual abuse, physical abuse or neglect of a child by a staff member, employee discrimination or wrongful dismissal suits). Discuss any corrective action that the agency has taken as a result of the problem or problems.
- Vendor's complete documentation of the number, scope and service specifications for similar children's waiting rooms or conventional child care programs begun and

completed, including (a) a list of contact names, addresses and telephone numbers for such project, and (b) demonstration that the key people proposed and guaranteed as available by the vendor to work on the project resulting from this RFP have participated in a significant number of these projects.

- Qualifications and experience of key individuals proposed and guaranteed as available and committed to this project (including resumes). In the case of positions that will be filled by new-hires, the vendor's stated and guaranteed minimum qualifications and the guaranteed start date of any to be hired as a child supervision worker in the Children's Waiting Room.
- The proposed schedule for program start up and childcare service provision. The Court would like the waiting room to open by November 1, 2010. It is anticipated that a contract can be in place by September 1, 2010 and that the vendor will then have a paid, one-month start-up time to prepare for full operation.
- The reasonableness of the proposed work plan, including the capabilities and number of personnel and/or personnel hours allocated to specific tasks, a detailed description of each task, the time frames for completion and the logical sequence of tasks to be performed.
- The Court reserves the right to request additional information to assure itself of a vendor's financial status.
- Personnel must successfully pass a criminal background check.

Section D

Contents of Proposal

Responsive proposals should provide straightforward, concise information that satisfies the requirements of this solicitation. Emphasis should be placed on conformity to the Court's instructions, requirements of this solicitation, and the completeness and clarity of content.

The Court reserves the right to contact references other than those provided in the proposal and to use the information gained from them in the evaluation process.

Scope of Work

The average number of children who will be using the waiting room at any particular time is not known. The Court appreciates that this presents a problem for planning by potential vendors. Given the difficulty of estimating, the Court understands that proposals need to be flexible. It is suggested that ratios of staff to children be used rather than a fixed number of staff. The Court will work with the vendor to set a maximum number of children who can use the room at one time. Vendors may use volunteers as part of their program plan. All staff and volunteers are subject to full background checks by the Court.

It is planned that the room will be in operation between the hours of 8:00 a.m. and 12:30 p.m. and will only operate two (2) days per week.

The vendor will be responsible for preparation and clean up. Respondents to this RFP shall submit a Scope of Work that specifically discusses how they will provide the children's waiting room services sought by the Court, using the minimum service components below. Proposals may include additional components or enhancements, in a separate section, if the vendor sees fit. The following should be addressed in the narrative:

 - i. Provide in a non-threatening, non-judgmental and non-intrusive manner, materials for parents and older children who may desire family support and assistance with emotional, social, psychological, physiological and developmental problems.  - a. Implement an employee and volunteer screening and reference check system that ensures employees are appropriate for children's waiting room, including

screenings for substance abuse and a history of child abuse. Personnel must successfully pass a criminal background check.

- b. Establish procedures and practices for ongoing monitoring of employee and volunteer performance.
 - c. Conduct regular and timely performance reviews for all staff of the waiting room and establish procedures for hiring, discipline, and termination.
 - d. Provide for ongoing recruitment and monitoring of suitable volunteer and regular staff that reflect the racial, economic, linguistic and ethnic diversity of Santa Barbara County.

8. Each responding vendor shall state in the proposal whether the vendor is a licensed or unlicensed child care provider.

Budget Narrative

Include a budget that details and/or explains expenditures. The Court will provide all necessary space, utilities and telephone service. Proposals should not include line items for these expenses. The Court will pay for painting, carpeting, counters, cabinets and office furniture for the office area. The Court will have limited funding for furniture and equipment, but will provide the necessary furniture and equipment such as a television, a DVD player, and some toys and books.

Start-Up Budget

Any start-up costs prior to a vendor's commencement of children's waiting room services should be listed in a separate, clearly labeled section. Explain the nature of proposed costs and why they are appropriate and necessary. Include a description of who would be performing the start-up activities and how long it will take to perform those activities.

Start-up labor costs should not exceed the equivalent of one month's labor costs as outlined in your proposed annual budget. The Court intends to issue a contract to begin on September 1, 2010, and will allow the vendor a reasonable amount of paid time to prepare for full operation.

Annual Budget

The annual budget should outline the ongoing personnel and other costs associated with operating the planned children's waiting room. Each major expense should be listed separately and there should be justifications containing a level of detail sufficient for the proposal to be analyzed for cost effectiveness and for the vendor to deliver a high quality level of service.
