1. **Question:** Based on the recent question/answers, would the County of Santa Barbara consider a Hosted solution/Software as a service (SaaS) model. The platform would be equivalent in functionality.

1. **Answer:** No, a Hosted solution/Software as a service (SaaS) Model will not be considered.

2. **Question:** In reference to section 2.6, can the court provide a closer estimation to the number of boxes (or number of files) that are to be converted?

2. **Answer:** Approximately 4757 boxes will need to be scanned – we average approximately 23 files per box.
