

Invitation for Bid
Alternative Dispute Resolution
Amendment Number 2
July 14, 2015

Amendment to Include Case Filing Statistics Report:

This Amendment Number 2 answers the following question and incorporates the Case Filing Statistics Report as an attachment to this Invitation for Bid.

1. How many temporary restraining orders/juvenile justice (juvenile victim/offender), and small claims mediations does the court touch in a year, by location?
 - The attached Case Filing Statistics Report shows the numbers for Small Claims cases. They are not separated by location, but it is the courts belief that Santa Barbara accounts for more cases than Santa Maria.
 - We are unable to provide the number of civil temporary restraining order cases because they are not separated from other civil cases in the standard JBSIS statistics.

All other Bid Information remains unchanged.
